

OUR POOL & SPA RANGE

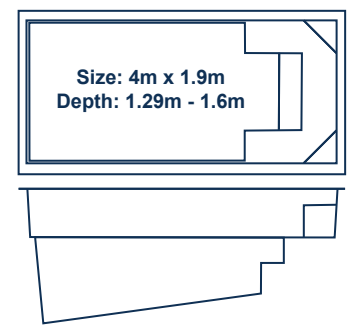

A range to suit any backyard
Experience the perfect blend of functionality and style with our custom, Australian-made fibreglass pools. Choose from a variety of options, including courtyard, lap and plunge pools, symmetrical designs and flat-bottom designs, tailored for specific installations. Our pools are backed by a lifetime structural warranty, providing you with the assurance of lasting quality and the practical Modern advantage.

Low Maintenance Pools
Our pools are easy to maintain, with a smooth and non-porous finish that makes cleaning a breeze. They are also hydraulically designed for superior circulation, which reduces running costs and maintenance. Our Eco-Flow Circulation system ensures maximum water swirl effect, eliminates cold spots and unfiltered water, and reduces sediment, power consumption, and pool maintenance.

FIBREGLASS POOL & SPA RANGE

Engineered to Last.

At Modern Pool Manufacturing, we've brought together a group of experts including a pool builder, fibreglasser, pool transporter, pool landscaper, water circulation specialist, structural engineer, and sales consultant to create an innovative, modern pool design.

As experienced directors of custom high-end fibreglass pool building and landscaping, we've carefully selected a skilled team to manufacture our pools in our factory located in Western Sydney. This process ensures that our staff takes full ownership of the finished product and allows us to offer our customers a Lifetime Structural Warranty.
